Bus Cards

Get the word out with bus cards! University departments and registered student organizations can advertise on UGA buses. We'll put your advertisement on 36 UGA buses for reservation periods of 4 weeks. The pricing outlined below includes printing & lamination of the advertisement, and installation on the buses.

Reservations

University departments and registered student organizations can reserve bus cards on-line by clicking on the bus card icon above. Art work for the bus card, an 11" x 17" horizontal design, can be submitted as part of the on-line request process or may be submitted at a later date. Space requests and artwork should be submitted at least 5 business days prior to the first day of the bus card reservation period. Requests submitted after this time may be declined.

Space is assigned on a first-come first-served basis. If your reservation is approved a confirmation will be emailed to you outlining the dates and price of your reservation. Payment is expected prior to the production and posting of the bus cards, and must be provided by the university department or student organization requesting the reservation.

Bus Card Content

All bus cards must advertise an event sponsored by a university department or registered student organization. The name of the sponsoring department or organization **MUST** appear on each bus card. Print & Copy Services reserves the right to refuse the posting of any bus card due to content.
