\*Social Security numbers are used in UGA's Identity Manager (IDM) to create the UGAID number. The use of UGAID will not eliminate the need to collect, store and transmit SSN, but will greatly reduce the use of SSN in internal business and reduce the number of repositories where SSN is stored. The UGA OneCard Office, a key component of the ID Management System, requires verification of SSN in order to ensure the integrity of ID Management data and records. For more information on SSN/UGAID and ID Management, visit <http://idmanage.uga.edu>.

**Remember:**

**Your first OneCard costs \$30.00.** Replacements are \$35.00. Acceptable methods of payment are cash, personal check, and credit card. Sponsors need not accompany family members if all paperwork has been properly completed and received in the UGACard Office.

Please bring positive photo identification, such as State PHOTO driver's license, passport, military identification, employee photo identification, or other school or college photo ID card.

#- For spouses, you may be asked to provide proof of marriage. Domestic Partners must file a "Declaration of Domestic Partnership" with UGA Human Resources prior to applying for the UGA OneCard. Declaration paperwork is available on the UGACard and UGA Human Resources websites.

For dependent children, you may be asked to provide copies of children's birth certificates or court orders for legal custody.

##- The only exceptions to the age limit provisions are children of any age who have been designated by the Sponsor's health insurance provider as permanently disabled dependents. Documentation must be provided to the UGA OneCard Office to be kept on file. Questions about dependent coverage may be directed to Human Resources at 706-542-2222 or [benefits@uga.edu](mailto:benefits@uga.edu).

Eligibility for campus services is determined by the service provider. The Ramsey Student Center, University Health Center, UGA Golf Course, and some Student Affairs-sponsored programs may extend some privileges to these individuals. Dependents are not eligible for Athletic Tickets or free ridership on Athens Transit.
